

The background is a dark, textured surface featuring faint, light-colored line art of various musical instruments, including saxophones, a piano, and a drum set. Overlaid on this are several white geometric shapes: a solid right-pointing triangle in the top right, a solid left-pointing triangle in the top left, a solid right-pointing triangle in the bottom left, and three outlined triangles (one pointing left, one pointing right, and one pointing down) in the bottom right. The main title is centered in a large, bold, white sans-serif font.

GENERATING MUSIC WITH ARTIFICIAL INTELLIGENCE

Nathalie Jeans

A LITTLE ABOUT ME

Nathalie Jeans

I'm a 17 year old interested in AI, music, innovation, and blockchain hoping to change the world a little along the way.
